Academic Service

2021 **CMU HCII Preview Weekend Student Host**
The preview weekend aims to assist underrepresented students as they apply to CMU HCII's MS and PhD programs. I was responsible for hosting online sessions where we invited applicants to ask questions and faculty to give lab talks.

2021 **ACM UIST Student Volunteer**
I built an online space using Ohyay for three social events throughout the conference, including social hours, social meetups, and ask-me-anything sessions.

2020 – 2021 **HCI Qualifying Exam DEI Proposal Group**
In light of the Black Lives Matter movement and anti-Asian racism due to COVID-19, I co-led an initiative at Stanford HCI Group to add readings centered on diversity, equity, and inclusion to the Ph.D. qualifying exam.

2020 – 2021 **Graduate Residence Community Associate**
I worked with the Stanford Graduate Life Office and other community associates on promoting wellness and a sense of community in graduate residences with 1200+ students by coordinating social events centered on cultural diversity.

Leadership Experience

2016 – 2018 **Founder, Makerspace of NTUEE**
My team and I founded a makerspace to assist students with their side projects. During COVID-19, our students developed a system that was deployed across the campus to automatically detect and track people's forehead temperatures.

2017 **Chair, MakeNTU Makeathon**
My team and I launched the first nationwide makeathon in Taiwan with 200 participants and 70K USD in sponsorship. I led 60 students and cooperated with the Taipei City Government and 22 companies such as Google and Microsoft.

2016 – 2017 **Director, Academic Department of NTUEE Student Association**
I led a team of 30 students to organize various university events, including research competitions, university fairs, and NTUEE+ alumni mixers for 800+ students in the EE department.
